Love letters? Let me know any personalised wording you might like included your wedding date and time, your new married name, or even a quote or song lyric that mean something to you. *Be mindful that there is limited space on some shoe styles though (Quotes look great hidden on the sole ride and make for a brilliant photo opportunity)*

If you would you like to add some sparkle to your step with some genuine Swarovski Crystal© detailing, state below if you would like your design to include some crystal embellishments throughout the artwork or if you would like a dazzling fully covered rhinestone heel.
